## Aquatic Medicine Seminar 2017 Mandalay Bay Resort and Casino March 3rd, 4th, and 5th

The Shark Reef Aquatic Medicine Seminar 2017 is set to go with another fantastic line-up of presenters. Join us in Las Vegas on March 3rd, 4th, and 5th for three days of information packed presentations centered on practical applications of aquatic medicine in day-to-day situations. The seminar offers a fully "hands-on" wet lab. This is an outstanding opportunity for C.E. credit and offers participants the chance to network and work side-by-side with some of the best aquatic veterinary specialists in the country. For additional information please contact Jack Jewell at 702-632-4560 or email [jjewell@mandalaybay.com](mailto:jjewell@mandalaybay.com).
